# ABOUT THE PROJECT

The proposed project will include the following:

- Replacement of carpet in lobby, first floor hallway and offices
- New paint
- Replacement of ceiling tiles
- New furniture
- Feature wall on South side & North side of lobby finished with stone, electric fireplace, flat screen TV & speakers
- New pool table, foosball table and dome hockey table
- All lighting upgraded to LED
- Renovation of monitor's office and Dean's office
- Converting Pop Shop into Prayer Room

# RYAN HALL LOBBY RENOVATION CAPITAL CAMPAIGN 2018

## Editor's Message

The current Ryan Hall dorm was constructed in 1946. Several upgrades have been completed over the years, except for the main floor lobby and entrance area.

With the success of the 2017 Minnie Edison Lobby renovation it became clear that the boys dorm lobby needed some serious attention and so it was decided to make the Ryan Hall lobby project the capital campaign for 2018.

We are hoping to begin work on the project immediately following graduation in June 2018, with completion before the boys return for the 2018-19 school year in September.

Thank you for your support of this project on behalf of all the boys in Ryan Hall.

Greg Bussey  
Director, Development

# Upcoming Events
